School Activity Report: Academic Year 2023-2024

Introduction

This report provides a comprehensive overview of the diverse activities and initiatives undertaken by our school during the academic year spanning from September 2023 to June 2024. It highlights the contributions of various clubs, events, social services, and celebrations that have enriched the school community.

Science Club Activities

1. Science Expo

- Organized a Science Expo showcasing innovative projects by students.
- Topics included robotics, renewable energy solutions, and advancements in biomedical sciences.
- Encouraged interactive demonstrations and discussions among students and visitors.
- Thaluka level inter School science exhibition and quiz was held in our school and students bagged prizes. The department appreciated the sisters and staff for the coordination and the hardwork. Awarded prizes for the cultural competitions conducted for the same occasion. Best coordinators of the school were honoured with trophies.

2. Competitions:

- Conducted intra-school and inter-school science quiz competitions.
